

Environmental Concern and the Lord Fairfax Soil
and Water Conservation District present:

WOW! The Wonders of Wetlands

Educator Workshops

Bringing
Wetlands
alive and into
the classroom

WOW!

WOW! introduces you to basic wetland ecology, including soil, water, and plants, as well as wetland functions and values through fun and interactive activities in lesson plan format. All activities are correlated to National Science Standards.

WOW! Facilitator

Learn the skills to teach WOW! and Wetland Youth Leadership workshops. Enjoy benefits including reduced book rates, accreditation by a leader in wetlands, and join a national network of wetland educators.

Course Information:
